

Teresa Frantz
Teresa.Frantz@ns-ci.va.org
(757) 879-0491

Mrs. Teresa Frantz serves as Lessons Learned Analyst for the United States Air Combat Command Directorate of Analyses and Lessons Learned and AFSO21 in the Lessons Learned Division (ACC/A9L), Langley AFB, VA. She has over 21 years of experience in Air Force communications and information systems, command and control, air operations centers, program management, comm. infrastructure, and telecommunications systems. During that time, Mrs. Frantz served in a number of essential positions, including Chief Airborne ISR Communications and Resources (ACC/A6W now A6O) for ACC. In her Reserve capacity, Capt Frantz also served as OIC Systems Control Section for 710th Combat Operations Squadron (COS) at Langley AFB, VA. With a varied background in communications and some reserve aerial transportation, Teresa has a breadth of knowledge from military, civilian, contractor, and private sector experience. Mrs. Frantz has a strong background in Telecommunications and Airborne Network Integration Technologies.
