(757) 225-7621

---

Mr. White recently joined NSCI as a senior Lessons Learned Analyst. Prior to this assignment, Carl served 9.5 years as the Program Manager in support of the Air Combat Command C2 CAT/CWD/DL 50M Dollar IDIQ Training Contract. In this capacity, he managed a team of 45 support personnel, multiple sub-contractors and delivered a state of the art Distant Learning Architecture to support entry level USAF C2 training. Before joining the civilian sector, Carl served 20 years in the USAF as an Air Battle Manager (ABM). As an ABM, he served as an Instructor Weapons Director, Operations Officer, Joint Task Force Liaison and two tours of duty on HQ ACC Staff to include one tour in Operations and one tour in Acquisition.
